Yes please, but I haven't done anything with it. Thank you!

Should I give Tonya access to the version that Sara and Betsy are reviewing?

If that's okay that would be wonderful, although I want to hear about your trip. We have to write an Administrator's Determination by Monday in this Washington petition case we lost back in Dec, it just keeps getting worse! I should be able to focus on ND once I get this done or the 9th circuit gives us relief.

Why don't I cancel for today to give you more time? I just wanted to be responsive if there was something I could do to help today. Main thing is we respond to Diane's comment before the next round of review, so by June 29. I'm off tomorrow and Monday. Holly is back Monday.
